Construction of a Project on the hallas between Bettakadur and Pennasamudra.

Q.—83. Sri T. D. DEVENDRAPPA (Bhadravathi).—

Will the Government be pleased to state:—

(*a*) the stage at which the plan for the construction of a project on the hallas between Bettakadur and Pennasamudra in Ubrani hobli for irrigating lands in Kanchinahal village is pending;

(*b*) the extent of land to be irrigated under this project;

(*c*) whether they are aware of the fact that on account of insufficient rainfall and also lack of irrigation facilities in these villages the ryots are not able to grow even dry crops there?

A.—Sri ALUR HANUMANTHAPPA (Deputy Minister for Minor Irrigation).

(*a*) The proposed tank is situated in the catchment area of Dogganal Tank. Since the sanctioned Dogganal project is likely to be affected by interception of yield in its catchment area, the proposal has been deferred for the present.

(*b*) Does not arise in view of reply to clause (*a*).

(*c*) Yes.
